SUMMER FESTIVAL EVENT

PLACE: DORDT COLLEGE CAMPUS

DATE: WEDNESDAY, AUGUST 30

Beginning at 5:00 p.m.

**FEATURING: Buffet Supper; Organ Music; College
Male Quartet; Campus Flowers**

The Dordt Booster's Club is sponsoring a special summer event for all our people. This project is intended to give the people an opportunity to visit the campus and to enjoy its beauty while at the same time helping the college to purchase items for the improvement of its academic and cultural programs.

SUMMER SMORGASBORD

The highlight of the evening will be the summer smorgasbord supper. On the menu will be such items as ham loaf, escalloped potatoes, potato salad, Boston baked beans, hot dogs, pie and ice cream, and relishes. There will be a free-will offering for the supper just as with soup suppers. Women from the Doon, Hull, Orange City, and Sioux Center Christian Reformed churches are cooperating in the arrangements and serving. Serving will be both in the college auditorium and dining hall so ample facilities will be available and service will be speedy.

ORGAN MUSIC AND MALE QUARTET

The Booster's Club has purchased a beautiful Allen organ for the College. This will be installed and ready for use for this event. Mr. Jerry Vander Pol, student from Washington state, well known to many of our music lovers, will return early from summer vacation to provide organ melodies throughout the night.

The college male quartet of last year which was so well received will be on hand to give several secular numbers throughout the evening. These four men will attend Dordt again this fall.

CAMPUS FLOWERS

At this time of the year the campus is a riot of beauty. The Booster's Club has contributed \$200.00 for flowers again this summer. Mr. Albert Boersma, principal of the Sioux Center Christian School, and noted for his "green thumb" and success with flowers has made several arrangements of flowers on the campus. Not a day goes by without passers-by stopping to view the campus. This will give our people an opportunity leisurely to enjoy the campus beauty.

A FAMILY FELLOWSHIP NIGHT

It is hoped that many families will come out this evening to fellowship with others from our area. A special appeal is made to our friends from outlying areas to come and enjoy this experience at Dordt College. We often look for something special to do in the summer-time with our families. Here is a fine opportunity to do just that and also promote a cause we love and need.

**Special Appeal To
Students Planning To
Attend Dordt This Fall**

All who plan to attend Dordt College as freshmen this fall are asked to send in their application forms as soon as possible, if they have not yet done so.

This gives the college office a better opportunity to make early preparations for registration and orientation and also eliminates difficulties with the ordering of textbooks.

**Summer Music Workshop

For Teachers in Service**

For three days, August 22, 23, 24, there will be a summer music workshop at Dordt College, taught by Mr. Dale Grotenhuis, music instructor at the college. The purpose is to provide helps in teaching music for teachers already in service.

Those attending will have meals provided at the college and lodging will be furnished in the college dormitories. If this summer program meets with success it may become an annual summer project.

Those interested in this summer's workshop can still attend.

**DORDT BOOSTERS'
ORGANIZATION**

It might interest the constituents of Dordt College to know what the Booster's Club is and what it is doing for the college. This club is composed of the male members of the two Christian Reformed Churches of Sioux Center. Three members of each church serve on the committee with Rev. B. J. Haan as chairman. The purpose is to raise monies for the improvement of the college exterior and grounds, to provide facilities which will aid the cultural program at the college, to attract students by means of scholarship benefits, and to provide materials for the propagation of the college.

To date this organization has contributed items totaling a cost of approximately \$5000.00. This includes \$200.00 for two years for flowers on the campus; \$2000.00 for a new electric organ; \$600.00 in scholarships; \$125.00 for the name letters on the college; \$400.00 for brochures; \$300 for slide projector and screen; and numerous other gifts.

Monies are raised by means of programs, community auction sales, and suppers.

The community of Sioux Center, particularly the business men, has shown a fine spirit of cooperation with this club. Each year practically every business man contributes a valuable article for the annual auction sale.

Members of the Booster's Club Committee are: Wm. Broek, Gerald De Weerd, and Gerri Kraayenbrink from the Bethel church, and Sam Holtrop, Steve Siebersma and Wm. Sybesma from the First church.
